

**FOURTH PRESBYTERIAN CHURCH
126 E. Chestnut Street
CHICAGO, ILLINOIS**

Here is another one of many magnificent Chicago Churches where the rich traditional beauty of a Schulmerich "Coronation"* Carillon rings out each day.

This "Carillonic Bells"* instrument with its 25 bell two full chromatic octave range, provides the TONAL EQUIVALENT of 79,462 lbs. of perfectly tuned cast bronze bells with a Bourdon of 6½ tons. The bells are played manually from a keyboard at the organ console and the daily programs are provided automatically by means of a clock-controlled Schulmerich "Auto-Bell"* automatic roll player using plastic rolls.

YES, YOUR Church, too, can enjoy the many benefits of the music of the bells! Write to:

SCHULMERICH CARILLONS, INC.

PC-1N Carillon Hill, Sellersville, Pennsylvania
